## A Message from Barb Krug, SAM

Greetings,

Hopefully that was our cold spell for this winter. Cancelling a worship service is not an easy thing to do but the safety of our congregational members is very important. We know the young families still went to their sporting events that may not have been cancelled, but they usually travel in groups and would have someone with them if they fell outside, or their vehicle broke down. I don't like living with "what ifs" but the possibility of one of our members, that usually comes to church alone, steps out of their house alone and travels alone, is cause for concern. Thank you all for understanding. I hope you had a chance to listen to the shortened service on St. Paul's Facebook page. I have to tell you; it was strange preaching to an empty church. I pray that never happens again but am thankful for Cathy and Nancy's help in making it happen this once.

As we look ahead to warmer temperatures and longer daylight, let's also look to the light that Christ provides. Darkness can sneak into our lives in so many ways, political views, illness, death, mental health issues, financial reasons, or a myriad of other things. In these frightening times, God is always with us. He is always leading us. Remember, we are a congregation of people that want to help anyone push that darkness away, if it sneaks into your life. Reach out and ask for assistance. You do not have to be alone in the darkness. 2 Corinthians 4: 6 tells us; "For God, who said, 'Let light shine out of darkness,' made His light shine in our hearts to give us the light of the knowledge of God's glory displayed in the face of Christ." Let your light shine!

Blessings,

Barb - SAM

## World Day of Prayer Event on Friday, March 7

St. Paul's Lutheran Church, Medford, will host this year's World Day of Prayer service on Friday, March 7, beginning at 6:00 p.m.

World Day of Prayer is a worldwide ecumenical movement of Christian women of many traditions who come together to observe a common day of prayer each year on the first Friday in March. Each year a different country serves as the writer of the World Day of Prayer worship service. For 2025, the World Day of Prayer Committee of the Cook Islands developed the theme, "I Made You Wonderful," from Psalm 139. A free will offering will go toward the work of World Day of Prayer.

Both men and women are invited to this ecumenical service.

## Luther Park Bible Camp

**Mission:** Luther Park invites people of all ages to explore and experience the love of God.

**Vision:** Luther Park will expand our ministry of the Gospel in ALL SEASONS, on ALL SITES, and with ALL PEOPLE.

Luther Park Bible Camp is a special outdoor ministry affiliated with the Evangelical Lutheran Church in America (ELCA) located in the beautiful Northwoods town of Chetek, Wisconsin. Founded in 1932, Luther Park's Lakeside site sits on 10 acres along Prairie Lake. This site acts as the primary location for most of the happenings for the organization, from Fall, Winter, and Spring retreats, gatherings, events, weddings, and much more, to our three month summer camp program. With 15 buildings that include a Dining Hall, a Seasonal Chapel, four Retreat Facilities, Indoor Worship Space, eight Cabins, and our offices, we pride ourselves in the Northwoods feel our facilities offer. On the shores of Prairie Lake, a premiere boating and fishing lake, we also have a beautiful pool for the warm summer months, a high & low ropes course, archery, and a nine-hole disc golf course.

LPBC is also owns to two other sites, making it three places where people are able to be outside enjoying God's creation. The Farm Center, a historic farm across the street from our Lakeside site, is 74 acres of land that is home to our low ropes course, archery, disc golf, our garden, chickens, and goats. Onsite is also a barn, environmental education center, hiking trails, and open fields to play in. The third site, is Luther Woods, 320 acres of untouched paradise 35 minutes North of Prairie Lake in Birchwood, Wisconsin. Luther Woods has an A-frame cabin, a covered pavilion, the gorgeous Bodins Lake for recreation, and many Northwoods hiking trails. The woods are home to our primitive camping program, where campers can go out and be one with nature, giving witness to their place amongst creation.

Luther Park is an organization inclusive of all, and does not discriminate on the basis of race, color, religion, caste, creed, sex, age, marital status, national origin, mental or physical ability, political belief or affiliation, sexual orientation, gender identity and expression.

We look forward to seeing you along with your friends and family at one of our camps this summer!

Attendees: Barb K, Clarice Z, Meagan N, Nancie A, Mike K, Echo B, Paula S, Jason

Meeting called to order: 5:45

Opened with: Devotion and Prayer by Mike.

Recited Mission Statement.

Paula made a motion to approve agenda as written and seconded by Nancie - motion carries.

Jason made a motion to approve December Meeting Minutes and seconded by Paula - motion carries.

Jason made a motion to approve Treasurer's Report and seconded by Clarice - motion carries.

### Standing Committees

#### *Education and Youth:*

Confirmation class held a Stump the Pastor session on January 8th and it went very well. Looking to hold more of these in the future. Holding Sunday School on Wednesdays has been a good way to integrate the different age levels.

The Christmas programs both went well and we had a good turnout at both.

#### *Property:*

Stairs and railings will be worked on this spring.

Mike is meeting with Jess on Friday, January 17, to discuss the windows on the west side.

#### *WELCA:*

Booklets are being finished to be sent out - no December meeting.

Ladies Lunch Thursday, January 23, at Wicked Events location.

#### *Worship:*

Sound system installation is completed and in use.

Confirmation students will plan and lead the Lenten services this year. The donations received during Lent will go to the Good Gifts program and the students will choose how to spend the money. See the billboard in the fellowship hall for more details.

Ash Wednesday worship services will be held at St. Paul's at 12:15 p.m. and Our Saviour's at 6:00 p.m.

Our Saviour's will host all midweek Lenten Services. Soup and sandwich potluck will begin at 5:30 p.m. followed by the 6:00 p.m. service.

March 30 will be the joint service at Our Saviour's with Donuts and Coffee served following the 9:00 a.m. worship service.

Looking into a new laptop to connect through the TV and Sound System.

### Old Business

Motion was made by Jason and seconded by Paula to approve the minutes from the Special Congregational meeting held on December 29, 2024 - motion carries.

Sure-Dry will begin work in the basement on March 11<sup>th</sup>.

Tables and items will be moved into the Sunday School section so they are out of the way. Other work will be completed before Sure-Dry begins.

Mike and Heidi are going to go through the folding chairs and get rid of any of the non-silver ones.

Cemetery Association will discuss the meditation area at their meeting in March.

A discussion about designating some of the script card income into the Benevolence Giving fund was held.

Currently the script card income goes into the general fund. Nancie will bring the income from January script sales so we can make a more informed decision on where the money could be used outside of the general fund. This will then be reviewed quarterly.

Mike will ask for some congregational members to be a part of a committee to research our current insurance policy and compare it to other quotes to see what benefits our congregation more. The rising cost from Church Mutual is the reason for this committee.

It was suggested we have a small gift bag for new members to welcome them to our church family. A subcommittee to plan this would be best. Echo will add this to the WELCA agenda as well.

## Our Saviour's Lutheran

### Council Minutes Continued

No specific fund needs at this time, so will not send out a Capital Fund Drive letter asking for donations at this time.

Waiting on Jim and Kurt to discuss replacing lights in the basement to more efficient LED lights.

### New Business:

Remove screen from the altar area and find a new home for it.

### Next Council meeting February 19<sup>th</sup> at 5:45 p.m.

Paula made a motion to adjourn the meeting and Jason seconded it - motion carries

Closed with The Lord's Prayer

Submitted by Meagan Neitzel.

## ST. PAUL'S LUTHERAN CHURCH

### A Message from Council President – Val Bach

January is a tough month for me, typically. All of the excitement from the Christmas holiday season is over; we take down all of the decorations and the house loses some of its warmth that emulates with the holiday lights. And, it's typically the coldest month of the year. Did I ever mention, I really don't like being cold (not sure why I live in Wisconsin)?

But January also is the time we ring in the new year. We make New Year's resolutions, reflecting on the past year and thinking about what went well, and what went not so well; thinking about what we can do different to improve upon in the upcoming year.

As I reflect on what went well at St. Paul's, there are so many things. We have welcomed several new families to our church (how wonderful); the roofing project was completed and looks amazing; the Ladies Lunch Bunch held a very successful rummage sale, which took a lot of effort by many (generously donating the proceeds to Community Mission With Jesus...thank you); we held several joint worship services with Our Saviour's, which always provide a perfect opportunity for fellowship with their congregation; we held our first-ever Christmas pageant (which was very cool); and we watched our children tell the meaningful Christmas story in their beautiful Christmas program, just to name a few. It was a smooth and rewarding year from my perspective as Council President.

And one other huge accomplishment achieved in 2024 was making the final payment on St. Paul's mortgage. WOW. We held the mortgage-burning party in early January to celebrate! The generosity and devotedness of our members who committed to this financial goal does not go overlooked. Without you, this wouldn't have happened so quickly. We paid a 30-year mortgage off in 15 years! I must say I wouldn't have believed it possible a few years ago. And, we were also blessed to have received several anonymous donations throughout the years that really moved the needle! A big thank you, again, to all of St. Paul's. Great job!

Another good thing...I really can't think of anything that didn't go well this past year; now, that says a lot!

Reminder that we will be holding the annual meeting on February 9th and will be discussing potential new building projects we well as presenting the budget for 2025 and electing new Council members. I hope you will be able to join us for this year in review and year in the making.

May God bless you and guide you throughout this upcoming year. May He help you with any struggles you might be facing. You are not alone; God is with you and so is your church family.

Stay warm!

God's Work; Our Hands.

Hello Beloved People of St. Paul's Lutheran Church –

I wanted to take a moment to share my heartfelt congratulations as you gather to celebrate this wonderful milestone! As you burn that mortgage, may you give thanks for the past, and look forward to the future!

During my time with St. Paul's (which began 21 years ago already), we embarked on an exciting journey to expand and renew the church building – a project that would make the church more accessible, even more welcoming, and ready to serve the needs of the community. Those were days filled with faith, hard work, and a shared vision for ministry, and I will always treasure the memories of how we came together to make it happen.

The mortgage burning is a powerful symbol of God's faithfulness and your dedication as a congregation. It represents the prayers, generosity, and commitment of so many people who have poured their hearts into this ministry over the years. I give thanks to God for the good work that has been done and for the ministry that continues to happen at St. Paul's.

As you celebrate this achievement, I pray that it will inspire hope and renewal for the future. May St. Paul's continue to be a place where God's love is shared and lives are transformed. Congratulations on this remarkable moment, and may God bless you richly as you move forward in faith.

I thank God for you all –

Pastor Pete Warmanen

**St. Paul's Sunday School**

Sunday School started again January 5, after the Christmas season. In January the children learned about two Bible stories from Exodus: the 10 Plagues that God inflicted on Egypt to force the Pharaoh to free the slaves, and Moses parting the Red Sea. The children discovered how these stories showed God's power and protection over his people.

**Needles for Needs**

We took some time off for the holidays and now another week off for the severe cold weather. But, we were able to get some organization and prep work done for our supplies. Even scraps of batting and mattress pads can be pieced together to make a full size quilt batt for a homeless vet quilt. We'd also like to give a big thank you to Patsy and Lee Paustenbach for the donation of two shelving units for our quilts and quilt supplies in the basement - we will be able to fit a lot on them! Connie and Carol have been prepping denim so that Rita and Dorothy can sew denim tops for our homeless veteran quilts. We are glad we can continue to work on them. I am sure the veterans are glad they have some sturdy, warm quilts for this weather we are experiencing. The end goal is to get all of those homeless veterans into housing, which Tom and his group Every Third Saturday have been accomplishing quite well these past couple of years. There's lots of updates on their Facebook page and their website: [www.everythirdsaturday.com](http://www.everythirdsaturday.com) As always, we'd love to have you join us for our workdays every Tuesday from 9 a.m. to 2 p.m. We bring our own lunches most days, but we order soup from the VFW every second Tuesday. Come and see what we are all about!

Respectfully submitted,

## A Meditation Moment

When Nancy took over the role of Parish Administrator, she would often need something extra to fill up a page in the newsletter. Hildegard Kuse kindly allowed her to use the meditations, written by Hildegard and her sister Loretta, that appear on the Kuse Nature Preserve webpage. With Hildegard's recent passing, it seems appropriate to honor her with one of their meditations. "Well done, good and faithful servant!"

### Pine Family

#### Eastern White Pine "White Pine" "Northern White Pine" (*Pinus strobus*)

Say among the nations, "The LORD is king! The world is firmly established; it shall never be moved. He will judge the peoples with equity." Let the heavens be glad, and let the earth rejoice; let the sea roar, and all that fills it; let the field exult, and everything in it. Then shall all the trees of the forest sing for joy before the LORD; for he is coming, for he is coming to judge the earth. He will judge the world with righteousness, and the peoples with his truth. Psalm 96:10-13 (NRSV)

Wind through the needles of a pine tree seems to make them sing. Poetic language helps us talk about what we see and hear. The Psalmist expressed joy because the Lord is King. All creation seemed to join in praise of the Lord.

Examine the fine needles of the White Pine Tree. They grow in clusters of five. Although the tree remains green all winter, in autumn some of the needles turn brown and fall off. Pine needles contain acid and make fine mulch for plants needing acidic soil. They can be used as winter cover and later raked into paths to help keep down weeds.

Smell the needles. Smell the pitch that flows from injured parts of the bark. Notice the thick carpet of needles beneath the trees. Listen to the tree "singing" as the wind moves through its boughs.

Dear Lord,

Help us to join all creation in singing your praise. Amen
